

Nail Services

As a Nail Services apprentice, you will work as a junior nail technician and will be paid an apprenticeship wage. You will assist senior nail technicians in a work placement for two days per week. You will attend Training for today's centre for three days per week to learn about performing manicures, pedicures, natural nail wraps, hand and nail treatments, nail extensions and basic nail art techniques.

For more information about the Nail Services apprenticeship or to enrol please contact Jane Davenport, Business Development Team Leader on 01204 439900.
